

Chamber of Commerce given \$12,000 grant

The Haliburton Highlands Chamber of Commerce was awarded a grant of \$12,000.00 for the year 1974 when County Council of the Provisional County of Haliburton met for its February session at the County Council Chambers in Minden on February 20, 1974.

Gerald Barry made a presentation to county council on behalf of President E. J. Gardiner of the Haliburton Highlands Chamber of Commerce.

Mr. Barry who made an excellent presentation outlined the present position of the Chamber and said that he was present to solicit the co-operation of County Council. He went on to explain the set up as outlined by the Provincial government in which we would be placed in Region area 9. He explained that many other tourist areas had opted out of the plan and that Haliburton Highlands Chamber of Commerce had also decided to go about it alone. He explained to the

member of County Council that in an effort to carry on a minimum grant of \$12,000.00 would be needed as they have lost the \$7,500.00 Provincial grant and the co-op advertising grant of \$2,500.00.

Mr. Barry told council of the plans considered by the Chamber and promotional programme for the entire County with a supporting budget, and he introduced the delegation of executive members in attendance: Louis Hodgson, Jerry Pillsworth, Art Ward, George Hardy, Don Nye and Larry Perrott.

In outlining the Chamber's plans for the future the following points were presented, that the Chamber have a new approach to Commerce and Industry, to see that an attempt is made to see that timber is properly processed in Haliburton County, and that they expect to have booths

Haliburton Newsletter

In the weekly release of the Ministry of Natural Resources we noted that there are approximately 300 resident and farmer trappers. Haliburton is in the Lindsay District. Since we have few Crown lands available there are no registered traplines.

This Thursday, Feb. 28 the Rotary Club of Haliburton will be moving their weekly meeting to the Hyland Crest Home in Minden. A bus will be leaving the Haliburton United Church at 6 o'clock. The speaker that evening will be Mr. A. C. Thornhill who acts as a consultant to the Ministry of Community and Social Services. Mr. Thornhill has particular knowledge of Haliburton as he was the temporary administrator of Hyland Crest when it first opened.

At the present time we have a Letter to the Editor on the question of wolves but we wish that the person who wrote the letter would drop into our office and sign his name. We cannot publish a letter without a signature.

Everytime it rains, it rains on the Haliburton Winter Carnival. This year was no exception. As far as the weather is concerned we should be in for some breaks one of these years.

Mrs. Vera Griffin has been moved from Civic Hospital in Peterborough to Lakefield Private Hospital. Visiting hours are from 2-4 p.m. and 7-8 p.m. Relatives and friends may visit her there.

Patients at the Red Cross Hospital in Haliburton this week are as follows, Mrs. Hazel Skene, Haliburton, Mrs. Mary Priest, R. R. #1, Haliburton, Miss Gail Dewey and Mrs. Helen Gunn both of Gooderham.

The management of the Molou Theatre have had several requests to bring the great musical motion picture "Fiddler on the Roof" to Haliburton. We received word to-day that it will be playing at the Molou Theatre on Friday and Saturday, March 8 and 9.

Carnival biggest ever in Haliburton

Give the Rotary Club of Haliburton good weather for a weekend and they will show you a great winter carnival.

This is just what happened here in this community over the weekend when the Carnival committee, under the direction of Bill Emmerson, held their most successful carnival in its six-year history.

People came from near and far to participate in a fun-filled weekend.

The weather on Friday was anything but good as it rained throughout the day but on Saturday the sun came out, the weather turned cold and on Sunday it was just perfect for the action on Head Lake.

Pat Morrow, daughter of Mr. and Mrs. Bob Morrow of Haliburton and a Grade 13 student at the Haliburton Highlands Secondary School was chosen as Queen of this year's Carnival at a Teen Snow Ball dance held at the High School on Friday evening. Her three princesses were Wendy Gough of R. R. #2, Minden, Beth Irwin of Haliburton and Judi Cooper of R. R. #1, Haliburton.

The official Carnival opening and dance held at

the Legion Hall on Friday night was a great success, as well as the Carnival Feast and Ball held there on Saturday night.

Attendance at the Carnival supper was down but the dance that followed was well up and more than 500 people were on hand to trip the light fantastic. The Saturday night dance at the arena auditorium was very poorly attended.

The following is a list of the Ice Sculpture winners. 1st prize, Haliburton Highlands Senior Elementary School, Eskimo village; 2nd prize, Haliburton Highlands Secondary School, Raccoon; 3rd prize, H.H.S.E.S., Dinosaur; 4th prize, Victoria

Lumber company asks for support

Mr. Ed Mumford and Mr. Barry Martin of G. W. Martin Lumber Limited of Harcourt were present at County Council on Wednesday, February 20 asking for support in their effort to obtain a permit to expand with a new type Chipper-Canter mill giving detailed statistics of projected employment and material.

Mr. Mumford speaking on behalf of Mr. Grenville Martin indicated that this operation would not destroy a great quantity of new trees but would utilize old-felled trees to a considerable extent and advocated control of trees rather than stripping.

The following is a brief summary of the proposed Chipper-Canter Mill.

This will be the first hardwood Chipper-Canter Mill in North America and the first manufacturing plant designed to produce lumber out of pulpwood and a low grade hardwoods.

The mill will have a capacity of 20,000,000 F.B.M. lumber and 55,000 tons Pulp Chips. A total of 260 extra jobs will be made available.

This will include 80 men working inside and 30 outside plus 150 suppliers will be needed. Raw material needed will be 110,000 tons annual pulp

quality-hardwood, softwood, poplar and 25,000 tons annual-large overmature, maple, birch, elm, hemlock that is hollow, or dead cull not suitable for sawlogs.

If present plans are allowed to be carried through the completion date will be Nov. 1, 1974. The total cost will be \$5,000,000.00 and this includes extra hydro capacity, additional trucking units, additional housing units and additional woods equipment.

At the present time G. W. Martin Lumber Limited is having problems getting approval from Queen's Park to go ahead with the project.

In Alcide Carpentier Memorial tournament

Haliburton wins consolation trophy

The Alcide Carpentier Memorial Pee Wee Hockey Tournament is over for another year and with the games being played on the day of the Winter Carnival it turned out to be a bigger success than previous years.

There were over 250 paid admissions to see the games and watch the Bowmanville Toros capture the championship round and the Alcide Carpentier Trophy.

There were ten games played in all, and the competition was keen amongst the teams.

In the final game Bowmanville beat out the Willowdale Club 1 to 0 in an excellent display of hockey for boys of their age.

The consolation trophy was won by the defending champions the Haliburton All Satr Pee Wees. They won the Fred Neimann Memorial Trophy, when they defeated Gravenhurst Pee Wees 4 to 0.

The remaining teams in the tournament were Minden, Haliburton County House League All Stars, Lindsay and Huntsville.

Mr. Emil Niemann, Mr. Glen Hodgson M.P., and Mr. Arnold Roberts presented the Fred Neimann Trophy and Mr. Albert LaRue, Mr. Scott LaRue and Haliburton Reeve Mr. Ray Brokm presented the Alcide Carpentier Trophy to the winners.

It was a good day in all capacities with each team showing good sportmanship in each game.

Special thanks must go to the many people who helped to make the tournament a success. Shamrock Drilling sponsored the delicious meals that were served to all the hockey players, coaches and managers, who totaled over 150. The owners Tim and Dennis Casey out did themselves with the meals that were served by the

Girls Hockey Team, which also deserves a vote of thanks.

The Mothers of the players contributed the desserts and should be congratulated on fine assortment of cakes, as well as the help they provided in the kitchen.

During the day all the games were refereed by four local fellows, Mark Schell, Claude Parish, John Parish and Deeno Pearsell. They did an excellent job in refereeing five games each during the day.

The timekeeping and scoring was ably done by Bernard Bain and Lloyd Harrison of Minden, with Bill Davies helping out.

Joe Roberts also spent many hours at the ticket booth.

All in all the day was a success, and the players are looking forward to next year when the Haliburton Club hopes to recapture the championship trophy.

Carnival Queen and princesses

Near Dorset

Resources centre named after Frost

Premier William Davis announced today that a new Resources Centre at Dorset will be named in honour of the late Leslie M. Frost, former Premier of Ontario.

Mr. Frost who died May 4, 1973, was Premier of Ontario from 1949 to 1961. Lately, he had headed the Advisory Committee on Algonquin Park which last year, recommended establishment of a centre for "demonstration of resource management, recreation and public education."

Situated approximately 150 miles north of the Metro

Toronto area, the new Resources Centre will embrace an area of 55,000 acres comprising Crown lands, Provincial Park reserve lands, dozens of lakes and streams and is in an area long recognized as one of the most beautiful in Ontario, near Algonquin Provincial Park and site of one of the most productive hardwood forests in the Province.

Hub of the centre will be the building complex of the former Ontario Forest Technical School or "Ranger School" as it is best known. Built between 1944 and

1949, the school was the qualifying institution for employment with the Ontario government and forest industry for forestry technicians, conservation officers and for post-graduate in-service certificate courses.

"The establishment of the Leslie M. Frost Natural Resources Centre affords the government of Ontario with a long-needed and unique opportunity to foster public understanding and appreciation of our natural resources, their management and use," said Mr. Davis.

"Our objectives will include development of integrated resource planning and management, preservation of unique natural and historic area features, interpretation of management practices and area features and provision of opportunities for the public and outdoor oriented groups to make extensive use of the centre and to develop outdoor skills, knowledge and ethics."

To achieve these objectives, the centre staff will include specialists in recreation, forestry, fish and wildlife, lands and information services, the latter concerned primarily with interpretative and instructional programs of interest to educators and public alike. The facility will be operated by the Ministry of Natural Resources which anticipates that partial services will commence April 1, 1974.

Natural Resources Minister Leo Bernier has named George A. Hamilton as Director of the Leslie M. Frost Natural Resources Centre effective April 1. Following graduation from the University of New Brunswick in 1950, Mr. Hamilton held a variety of management posts with the Ministry of Natural Resources throughout the Province and since 1969 has been Director, Information Branch in Toronto.

Grant Rae of Haliburton shown on his snowmobile with trophy he won in the World's slowest snowmobile race. In the background from the left Bill Emmerson, Carnival Chairman, Creighton Feir M.C., Mervyn Elstone Novelty Snowmobile Race entry chairman.

Scouts campout overnight

On Feb. 9 and 10 the 1st Haliburton Scout Troop went on an overnight campout. They were able to utilize the property behind the Haliburton Elementary School. The boys used their survival skills to construct a good winter shelter. Thirteen scouts and four leaders went on this very successful

outing. The troop is planning another overnight campout probably in May or June.

On Feb. 17 the Cubs and Scouts had their yearly Church Parade. This year they attended the service at the Salvation Army. Thirty-five Cubs and Scouts plus four leaders were present at this annual event.

Domtar will build plant

The Ministry of Natural Resources has been informed that Domtar Construction Materials Limited will build and 18 million dollar plant for the manufacture of particle board and decorative cladboard.

Based on independent studies, the plant employing 125 people will locate in the Bracebridge-Huntsville area of Muskoka.

Raw material will consist mainly of sawdust, shavings and similar waste by-products generated in normal operations by local woods industry plants. No commitment has been made by the Ministry of Natural Resources for additional wood supplies from Crown lands.

Chimney fire in W Guilford

The Haliburton Fire Department were called out on Thursday, February 21 to a fire at West Guilford.

The fire alarm was sounded at 9 a.m. and it wasn't long before the local fire department were on the scene at the home of Mrs. William Mullholland to extinguish a chimney fire. It was very fortunate that the fire did not spread to other sections of the house.

Minden OPP

Minden Detachment of the Ontario Provincial Police report a quiet weekend with no major accidents.

There were no injuries when a snowmobile collided with a moving car, but the car sustained \$25.00 damage. This happened in the Ingoldsby area.

Huskies eliminate Newcastle in playoffs

The Haliburton Travelways Huskies eliminated the Newcastle team here Sunday night in the fifth game of the play-offs.

Louis O'Hara registered his third consecutive shut-out as the Huskies won 6-0 in Newcastle on Tuesday night, 8-0 here on Saturday night, and 8-0 again on Sunday night.

On Tuesday night in Newcastle Larry Robinson scored 4 goals with Stephen Lloyd and Tim Curry adding singles. O'Hara kicked out 27 shots for the shut-out.

A crowd of 550 fans saw the Huskies register a convincing 8-0 victory over the Newcastle team here on Saturday night. Tim Curry was the marksman Saturday night as he notched three goals and assisted on

another by Larry Robinson. Floyd Henry, Bev. Hicks, Rick Wood, and Jamie

Glen Dart tournament scheduled

The 23rd Annual Glen Dart Memorial Hockey Tournament is scheduled for the Haliburton Arena for Saturday, March 9 with hockey action throughout the entire day.

The day will feature seven games of hockey with teams competing in the Haliburton County House League finals. Three of the seven games scheduled will bring together novice teams in the age four to seven group.

The action will start at 9 a.m. and teams will be competing from Kinmount, Wilberforce, Minden and Haliburton.

Each of the above teams will be going all out to win one of the seven trophies which will be handed out to the winning teams. Why not plan now to take your entire family out on Saturday, March 9 for a real thrill packed day of hockey at the Haliburton Arena. You won't be disappointed at these young players will be the future stars of tomorrow.

Carroll added singles. The defence, led by Jamie Carroll, played a strong game, helping O'Hara to his second shut-out of the series.

On Sunday night Louis O'Hara kept the Newcastle team off the score board for the third consecutive game as he came up with many spectacular saves. Jamie Carroll played another strong game on defence and also added two goals for the

Huskies. Tim Curry played another outstanding game as he scored twice and assisted on goals by Larry Robinson and Jamie Carroll. Other Huskie goal scorers were Bev Hicks, Floyd Henry and Tim Bain.

The Huskies will now play the winner of the Lakefield and Little Britain series for the group championship. Lakefield presently leads the best-of five series by one game to none.

Sir Herbert Holt helped pioneer in Haliburton

Sir Herbert Holt, 1856-1941

Sir Herbert Holt was Head of The Royal Bank of Canada for three decades and Director of almost 300 Companies on four Continents.

Holt arrived in Canada during the 1875 depression at the age of 19. He was a civil engineer, graduating from Trinity College in Dublin, his birthplace. His first job was surveying the Toronto Islands for waterworks installations. It was to bring him into contact with James Ross, later one of the C.P.R.'s builders and an early Canadian coal baron.

Ross hired Holt to be assistant engineer for the laying of a railroad line called the Victorial Railway, from Lindsay North to the Haliburton Highlands.

Two years later as superintendent of the Credit

Valley Railway line construction he purchased railway ties from William MacKenzie a lumberman and later co-builder of the Canadian Northern Railway with Donald Mann.

When Holt with his own construction company had the contract near the Kicking Horse River and Kicking Horse Pass he was to employ two Haliburton Teams of Horses and young men on this project who had moved to Alberta namely Jack and Thomas Watt. When the fact they were from Haliburton was mentioned, Holt said, "That is good enough for me, they know how to work" and they were hired.

Today on Road construction the modern day Teamster with gravel trucks from Haliburton County have the same high regard throughout Ontario.

Carnival biggest ever

Street School; 5th prize, Lakeview Centre.

The Haliburton Highlands Guild of Fine Arts deserve a great deal of credit for their effort of making the carnival a success. This group went all out in their exhibition and sale at the Lakeview Centre. A great many people took the opportunity of going to their two locations and this group sure added a great deal of color to the event.

The parade which was headed by the Bobcaygeon Villagaires drum and bugle band was the best parade we have had here for a winter Carnival. As usual it featured some outstanding entries. The Best Centennial theme float Haliburton Highlands Senior Elementary School, Best overall float, Ministry of Natural Resources, Most Original Entry, Haliburton Highlands School of Fine Arts, Most Humorous Entry, Gary Vasey Real Estate.

The fireworks display on Saturday night was very popular as usual, with hundreds gathering to see the display. And what about that Campers' breakfast at the Legion Hall on Saturday morning. Nearly 200 people turned out for breakfast.

Sunday afternoon was packed with fun and

excitement as close to 1000 people gathered at the Rotary Beach and out on Head Lake for the many outdoor activities. At 1.00 p.m. the program got underway with sleigh rides for the kids and then novelty snowmobile races also got underway with ten races that lasted about three hours.

During the afternoon the large crowds were thrilled by the performance of the Canadian Parabolic Skydiving team of four people who parachuted from an airplane all jumping at the same time. They all landed in the centre of Head Lake.

The crowd waited until the bitter end for the daredevil demonstration when three local men on their snowmobiles did their act while jumping over 100 feet of open water at the channel near Rotary Beach. There were no accidents as the three men, Les Northey of Minden and Peter Lymburner and Fred Nimigon both of Haliburton skimmed over the open water time after time.

Our sincere thanks go to the Rotary Club of Haliburton with its chairman Bill Emmerson, who did a bang-up job in giving us a weekend that will long be remembered.

Tenders called

Harnden and King Construction Limited of Cobourg, Ontario has been awarded Contract No. 73175 for:

Grading, Drainage, Granular Base, Hot Mix Paving and Bridge Deck Waterproofing necessary available rating is (3) in (G) or (P). From 0.1 Miles South of Fenelon Falls North limits, Northerly 2.14 Miles and Otonabee River Bridge. Hwy. 121 Port Hope District Mileage: 2.14

The Contractor's Tender for this Contract was \$356,228.01. It is scheduled to get under way May 21st, 1974.

Cubs, Scouts hold annual banquet

On Monday, Feb. 18, a good turn out of fathers, sons and leaders attended the annual Haliburton Cub and Scout, Father and Son Banquet.

Among the head table guests included were Roy Brohm, Reeve, Ed Fugar,

chairman of the Haliburton Scout Committee, and Dick Girardin representing the District Scouting Field Office.

Also present were Bruce Henry, Ab Larue, Mark Dean, Frank McIntyre and Norm Harrison who represented past Scout committee members and leaders.

The head table guests were marched in by the Haliburton Legion Band. Much thanks goes to them for a fine job.

After a delicious roast beef supper prepared and served by the Legion Ladies awards were then presented.

Mr. Len Salvator was presented with a long time service pin by Mr. Girardin. Len is in his twentieth year of Cubbing. Haliburton certainly has been fortunate to have had such a good leader in the community and in the Scouting program.

Cub Leaders Walter Webb and Len Salvatori of Pack A then presented "silver spoons" to the "six" achieving the most points during the past year. Members of the "six"

included Andrew Hodgson, Steven Dawson, Jamie Bennett and Jeff Whitfield. For the best mannered and best dressed Cub a plaque was awarded to Steven Dawson. A trophy was presented to Chris Hodgson for best effort in participation and badge work.

Cub Leaders from pack B, Terry Barnum and Bill Rinnie, then made their presentations. The winning "six" also received "silver spoons". This six included Kevin Barnum, Dwain Giles, Steven Smith, and Peter Burnett. The best dressed and best mannered Cub award went to David Giles. The trophy for the most effort in participation and badge work was presented to Kevin Barnum.

Scout Leader Ed White-way then presented awards to the Scouts. For best attendance a compass was presented to Tim Elstone. For selling the most calendars a badge was presented to Bill Tripp. For most co-operation and participation during the winter camp-out a compass was presented to Alan Cooper.

The best Scout award for the past year went to Bill Tripp who received a mess kit.

Following the presentations Rev. Don Nicholson gave a very interesting resume of the highlights of his recent trip to Brazil. Alan Cooper then proposed a toast to the fathers. Gerald Dawson responded.

The evening ended with a presentation of slides by Len Salvatori and Bruce Henry. Included were a few slides of the first boys who joined Scouting in Haliburton 20 years ago.

Ski-doo Trip

On Saturday, February 16, the Pack A Cubs, under the leadership of Len Salvatori and Walter Webb, as well as some fathers snowmobiled to North-West Lake, a small lake near Mountario Lake. Here they had lunch and practised lighting campfires. A good time was enjoyed by all.

Centennial Corner

LAND DIVISION COMMITTEE

In an effort to protect the environment and land use development The Planning Act was revised in June 1970 to require consent for any division of interest in land. Whenever there is a portion of land to be transferred rather than entire holdings, application for consent must be filed. To provide service to its landowners the Provisional County of Haliburton established a Land Division Committee in March 1971, with representation on it from each of the municipalities, ensuring closer understanding of local circumstances but with the responsibility of adhering to the guidelines of the Province.

Both the land to be severed and the land retained must meet the standards and approval of the Municipality, the Ministry of Environment, the Ministry of Transportation and Communications or County Road Department if on highways or county roads, and any other agency applicable, and finally must meet the policy guidelines of the Land Division Committee. When all reports are completed, the applications are scheduled for hearing by the Committee, and decisions are submitted to the Ministry of Treasury, Economics and Intergovernmental Affairs. A 21-day period follows during which the Minister may appeal a decision, and if no appeal is made, the decision of the Land Division Committee is final and binding. The deed covering conveyance of the severed lot may then be prepared, submitted to the Secretary-Treasurer of the Land Division Committee for endorsement of approval, and the transaction completed by registration of the deed at the Registry Office.

"In Quest of Yesterday"

Written and delivered by Mrs. Nila Reynolds [Author of "In Quest of Yesterday"] at the Centennial Inaugural Session of the County Council on January 15th, 1974.

One-hundred years ago in the hearts and minds of men assembling on this site, was born in much travail and difficulty the Provisional County of Haliburton. They came, not swiftly and in comfort as you have come, but at a horses pace, wrapped in buffalo robes, wearing bearskin coats, and the music that heralded their coming was the chime of cutter bells.

Their goal was to bring the tracks of the Lindsay, Fenelon Falls and Ottawa Railway to their northern townships. In its achieving, old ties with Victoria and Peterborough Counties had to be severed, perhaps painfully, and new loyalties and alliances forged.

Prayerfully, very prayerfully for research discloses they were prayerful God fearing men, there came to this place their mid-wife and prime mover, Samuel S.

Peck, appointed first County Clerk and Treasurer: William Hartle of Lutterworth, Anson and Hindon; James Langton of Minden, John R. Calvert of Snowdon, Philip Harding of Glamorgan, Monmouth and Cardiff; Joseph Beatty of Stanhope and Sherborne, and Alexander Niven of Dysart, et al, who first sat in your warden's chair.

Over the stormy sessions of yesterday, with their differences and dissensions and there were many, has been cast the healing balm of time, for, thanks to their initial planning, and the men following them who in their endeavours: "builded better than they knew," the Provisional County of Haliburton was granted the gift of time-to grow-to achieve-to become.

What tribute can be paid the Wardens and Reeves who have governed our twenty-three townships for a hundred years? I believe they would say "By our deeds let us be known". Their own achievements shall keep their memory like the softwood forests, ever-green.

The Honourable Leslie M.

Frost, whose spirit must be with us today, has written: "To remember the old is to add strength and back-ground to the new." Yet strength cannot exist without strains to test it. Surely the future promises an abundance of strains upon the whole structure of this County which can be assured of opportunities for developing very great strengths.

My pioneers came north with one common purpose to establish homes and families and build a better life for them. The men who one hundred years ago came to this place shared their ambitions, built with this vision. Times change and motives shift with the winds of chance. Today Haliburton has three kinds of people. When one is doing business its helps to know in which category the person dealt with belongs.

First there are those moving to the County with but one purpose-to make enough money to live elsewhere in luxury-- of these beware.

Second there are those, who like me must live elsewhere in order to save

enough money to come home, with us be patient.

Third, there are those who stay in Haliburton because they have sense enough to know that there is no better place in the whole world to be. To these, you ladies and gentlemen here assembled; belong, and to you the Provisional County of Haliburton can safely entrust its second hundred years just as the first hundred years was entrusted to your fathers before you. The pattern of public service is a re-occurring thing. Faces change but names remain; there are men here today whose fathers were also Reeves and Wardens.

May I conclude with a prophecy and a Prayer--the prophecy that a century hence, descendants of these here present will be found serving this County. My Prayer is this--May the natural beauties of this blessed County be preserved as long as the sun shines and the waters run; may she always be served by those who love and understand her, and may God give them the wisdom to "Watch Well!"

Carnival a success

The Haliburton Winter Carnival is over for another year and the excitement of it all has come to an end. We feel at this time that it is only fitting to throw out a few bouquets to all those who worked so hard to make this special winter event a success.

Right off the top a word of praise to Bill Emerson that hard working carnival chairman who worked day and night week after week to see that everyone was doing their job and who also drove hundreds of miles making preparations for the Carnival. The entire community owes him a vote of Thanks. The co-chairman Derry Wilford also deserves a hand for the hard work that he put into the event. Let us not forget all the members of the Rotary Club who gave of their time working at the various attractions throughout the entire weekend.

Thanks should also go to everyone who stepped in to give the Rotarians a hand when they were needed, it has certainly been appreciated.

Last but not least a big round of applause for everyone in Haliburton and the County who turned out to support the winter event, without you there would have been no Carnival. For those who drove miles from all parts of Ontario to be with us we say thanks and we really hope that you enjoyed the Highlands hospitality.

Toquepic sincerely hopes that you will all return for the 1975 Haliburton Winter Carnival.

Togetherness wonderful

Togetherness is a wonderful thing. We got around to thinking about this subject on the weekend of the Whipper Watson Telethon over CKVR-TV in Barrie. How wonderful it was to see people from all walks of life giving of their time to entertain on the program and for all those who came together to raise money for this worthwhile cause. It seems to renew your faith in human nature.

The Haliburton Winter Carnival is another great event which brings local citizens as well as cottagers and visitors all together as one happy family joining together for the main purpose of fun and getting to know each other just a little better.

In these days with all the turmoil in this old world we seem to get into the rut of thinking that everything is lost and that everyone is out to beat the other guy. The answer seems to be that we must and can all get along with our neighbours when we are brought together for some common cause. Think about it and the more we get together the happier we will be.

Pic of the Past

This picture will bring back a lot of memories. Most of you will be able to recognize most of the men in the picture as they were members of L.O.L. No. 975 of Haliburton. The picture was taken in 1932 in front of the old Haliburton arena following a 12th of July parade. The late C. W. Hodgson was master of the lodge at that

time and the Haliburton Orange Lodge at that time were 150 in number. Those were the days when the lodge would go out on parade led by the Haliburton Citizens band. We would like to thank Orval Austin of Haliburton for the loan of the photo.

Photo by Dal Hubbert

BILL SMILEY

CONFESSIONS OF AN AGING JOCK

By Bill Smiley

One of these days I'm going to have to sit down and have a little talk with myself.

It will go something like this: "Look, Bill. It's time you acknowledged that you'll never be in the British Consols competition for the curling championship of Canada.

Let's face the fact that a great competitive spirit, tremendous desire, and the heart of a lion are not enough. You also need some skill and some muscles.

"You curled in a local bonspiel last weekend. Won two, lost two. Not bad. You're a fifty-percenter in sport. But on Monday morning, when you bent over to tie your shoe laces, you couldn't straighten up again. Somebody had shoved a knife in your back, just above the tail-bone. If your wife wasn't pretty handy at straightening things out,

you'd still be going around on all fours.

"Why don't you forget that silly business of running up and down a sheet of ice like a rabbit galloping sideways, pounding the surface with a broom while some idiot yells, 'Sweep!' as though you were washing the dishes instead of sweeping your guts out?

"Why don't you stop blaming the ice for being too keen or too heavy, when you know perfectly well it is you who is too heavy and not keen enough?

"Why don't you stop blaming the skip for not giving you the right ice, when you know full well you couldn't hit his broom with a front-end loader?

"Why don't you give up the game, except for the safe position of critic behind the glass, where all the really good shots are made?

"Why don't you just go down to the recreation room at the curling club, and fight it out with Capt. Dalt Hudson for the undisputed Russian Billiard Championship of the club? After all, you beat him

once, five years ago, when he was only 72.

"And while we're having this agonizing appraisal, why don't you do the same about your golf? A few years ago, when you were shooting in the nineties, it is true that Jack Nicklaus and Arnie Palmer were trembling in their boots. They knew a corner when they saw one.

"But, as often happens to a dark horse charging for the big money, something happened. It was bad enough having a trick shoulder and a trick knee. But it was when you started pulling those trick shots that you should have quit: like the booming drives that used to go 100 yards straight up and 100 yards straight down, landing twenty feet behind the tee.

"Why don't you just play golf with your wife, whom you can beat handily if you remember to say, 'Whoops! Don't lift your head!', just as she's starting her swing."

Yep, it's pretty sad when you have to get down to the concrete, and discover it's fresh-poured cement. But that's the way it goes with us aging athletes. We

have only our shining memories to fall back on.

I was a pretty good track and field athlete, in the sprints and jumps. One year I was a cinch for the junior championship. Everybody told me. So the night before the track meet, I went out with some other guys, stealing grapes. An over-zealous gardener chased us four miles. Next day, however, with a tremendous burst of pride and speed, I managed to finish third in the 100 yards, fourth in the 220.

In the days when you didn't have to be a big, slaving brute with haunches like hams, I was a pretty fair football quarterback. And I have a broken nose and two rickety knees to prove it.

In the airforce, I enjoyed, and was good at, formation flying. Only trouble was that I sometimes formed with the wrong people. One day I took off in a cloud of dust, spotted another Typhoon, my leader, and joined him in close formation. Rather to my surprise, he circled the air-strip and landed. I

did too. I climbed out and walked over to ask him what was wrong. I'd never seen him before in my life. My squadron was off in the wild, blue yonder somewhere, one man short.

I can't help envying the kids of today. They can learn golf and curling, sports they can use until they're decrepit, while they are young.

When I was a kid, golf was for the rich — people earning away up around \$3,000 a year. My only acquaintance with golf was diving for balls into the river water hazard into which the lady golfers pumped ball after ball. We sold them back for a dime.

As for curling, that was a game played by eccentric old gentlemen on an outdoor rink.

But, by golly, the rich and the eccentric old gentlemen didn't go to the pool-room, and we did.

Maybe I started too late to amount to anything on the ice or the links, but I'll take any of these other old fogies on, on the green felt cloth.

The Argyle Syndicate Ltd.

Along The Trails

Compiled by
Roy Bates

We have received a request from a cottager to have a snowmobile trail re-routed where it passes his cottage. The large brown place at the head of Drag Lake.

Mr. Worden's letter brought to our attention that there are a number of places where trails pass very close to private homes and cottages. In the days when only a few machines used these trails disturbance to the peace and quiet was minor and there was little objection. Traffic has so increased that on a given weekend several hundred snowmobiles create a din that must be very disturbing to the cottager or home owner. Add to this the fact that these cottage grounds, by virtue of their proximity to the lakeshore, become favoured stopping points for safaris to re-group and it is little wonder we are getting complaints.

The HCSA will make it a priority project to seek out such trouble spots and re-establish the trails away from buildings. To do this without causing unnecessary damage to trees and other plant life will require the co-operation of property owners in locating the new routes. Meanwhile, for it will take a little time, we urge snowmobilers to use discretion in passing such points. Go as unobtrusively as possible and please find other stopping places.

On our last run up Drag Lake we noted a potential hazard in the form of a pressure ridge which has developed above sand point. Near the West shore, where most traffic passes, there was no danger. But further out, and to the East shore, there was a pronounced ridge which breaks to a solid ice wall some two feet in height. Any snowmobile striking this would be an instant disaster. Always be on the alert for such hazards.

Extra caution should be used near inlets and outlets. Early thaws increase currents and ice can be dangerously eroded from underneath with no visible sign on the surface. An old snowmobile track is no sure indication of safety. From this time of year on what was safe today may a death trap tomorrow.

We have noted several places, such as Outlet Bay and Narrows on Kashagawigamog, where snowmobilers have ventured too far into the channel and have left open water behind them. We did this ourselves on Little Boshkung and it scared the Hell out of us! The HCSA has not the time, the manpower, nor sufficient signs to adequately mark all hazards. Please do not expect it. Any ice surface that you do not KNOW is safe should be avoided like the plague. February water is too cold for swimming.

We have received a call from Carl Cowden of Snowplan inviting us along on a short tour of Quebec. A small group has been selected from various parts of Ontario to get a first-hand look at Quebec's trail improvement program. We hope to ride some first class trails, to learn from community officials what the new system has mean in terms of the economy, and to come back better prepared to fight for a similar policy in our Province. Look for a full report here about mid-March.

Don't forget the Snowball Express No. 2, coming up at the Haliburton Legion March 16th. For tickets see Pat Hucal or any HCSA executive member.

Minden News

Rev. Andrew Hutchison and Lloyd Johnson left over the weekend for a holiday in the Holy Land.

Belated Good Wishes to

these Residents of the Hyland Crest celebrating birthdays in February in the persons of Alice Fearrey, Mabel Lyons, Susan Kylie

and Albert Quible.

Mr. and Mrs. Bill Negus and Debbie of Lindsay visited Sunday with Mr. and Mrs. Phil Robinson.

There was a parade of Brownies, Guides, Scouts, Cubs and their leaders to United Church Sunday morning, making up a large crowd.

Everyone sends good wishes to persons in out-of-town hospitals included are Mrs. John Lidster, Toronto General, Harold Upton, Civic Hospital, Jim Minto Ajax-Pickering and Mrs. S. Tolson Ross Memorial.

Mrs. S. Kinnear is away this week visiting relatives in Toronto.

At the weekly Mini Card Party last Thursday afternoon at St. Paul's Parish Hall, winners were for cribbage Isabel Bingham and Molly Locke, for bridge Isabel Harrison and for euchre Gordon Kellett, Vera Fuller and Alice Sedgwick.

Another day high school students had an enforced holiday this time due to a broken water main.

Carnarvon News

Mr. and Mrs. Larry Medley have purchased a home in Haliburton and will move in permanently when the children are out of school.

The sympathy of the community is extended to Mr. and Mrs. Mussellman, last week Mr. Mussellman's father of Port Sydney passed away.

Mrs. Irene Minaker and Mrs. Velda Harrison motored to Orillia on Wednesday to visit with Mrs. Myrtle Norton who is hospitalized there.

Mr. and Mrs. Ray McKay and Wendy were visitors last week with his parents Mr. and Mrs. Max McKay. Laurie was home this week they are all from Toronto.

Mr. and Mrs. Jack Gregory will be in Toronto

this week to attend the gift show.

Mr. and Mrs. Fred Olan have returned home after a long holiday in sunny Mexico.

Jim McKay who is a patient in the Toronto General under went surgery on Monday when he had his foot amputated. We send him best wishes and a speedy return home. Jim has had a very unfortunate year. With many trips to the city and extended stays in hospital in an endeavor to save his foot. Good Luck Jim.

Mr. Cliff Skelding was lucky enough to catch a nice 7 1/2 lb. lake trout last week and we heard of a 17 lb. one being landed at Boshkung Lake.

Women's Institute

Ladies plan bus trip to Niagara Falls

The Minden Women's Institute held its Feb. meeting at the United Church Hall on the 20th with 30 ladies present.

The main item of business was the planning of the bus trip on May 29. As the Erland Lee Home in Stoney Creek was opened last August a number of ladies wished to visit it and with a decidedly large vote Stoney Creek and Marineland at Niagara Falls were picked for this year's trip. So remember any of you ladies wishing to go on our trip be sure to make your reservations early as each year more ladies enjoy this day's outing. Mrs. A. S. Kernohan is the lady to contact. Reserve early and avoid the last minute rush. By March 20 we will know the price.

Mrs. Duncan Prentice reported sending 15 cards in January and 32 cards in February; looks like we could label February as sick month doesn't it?

Mrs. Phil Robinson, Con-

venor of Education and Cultural Activities gave a reading and introduced, Mrs. Harold Morgan who gave a brief summary of their trip to the Maritimes last summer and then showed slides of the trip. To those of us who had been there, they brought back nostalgic memories and were really enjoyed by all. They say "see Canada first" and this one way of seeing the beauty of our own country without leaving our firesides. The President Mrs. M. Sears thanked Mrs. Morgan for taking us on the trip through, Quebec, New Brunswick, P.E.I. Nova Scotia and Newfoundland. The meeting was then closed and social time was spent over the teacups. The next W. I. meeting will be at the Parish Hall on March 20 at 2 p.m. with the Curator and the P.R.O. reporting. Do come and join us as the saying goes "The more the merrier and we'd be pleased to welcome you on March 20.

Haliburton County Council meeting

County Council of the Provisional County of Haliburton assembled in the Council Chambers at 10.00 a.m., Wednesday, February 20th, 1974, with Warden Murray Fearrey in the Chair and all members present.

That the Minutes of the last session of County Council on January 15th and 16th, 1974, be approved as circulated. Carried.

In business arising from minutes, the Warden announced that since the last meeting which honoured past Wardens, Mr. James McCrea, former Reeve of Monmouth, had passed away, and also a previous member of County Council, Mr. Tanner. The Warden confirmed the decision of the Road Committee to defer discussion on By-law 877, regulating advertising devices on County Roads, pending an on site observation and study meeting as soon as snow conditions clear.

Chairman of the Property Committee, Lloyd Walker, presented a progress report on renovations in process. Chairman Reginald Booth reported on the Finance meeting held at 9.00 a.m. this date.

That we approve payment of cheques issued as listed, representing cheques numbered 7 to 63 inclusive, in the amount of \$53,147.22. Carried.

Be it resolved that the Finance Committee has received the Treasurer's bond and ensured it is updated in force. Carried. Chairman James Harrison of the Hyland Crest Senior Citizens' Home Committee of Management elaborated on the 1974 Budget as circulated.

A list of correspondence received was circulated to all members, and the Clerk read the following letters: Ministry Transportation and Communications - re. Highway Maintenance United Counties of Prescott & Russell: Resolution re. Environmental fees for lot inspections.

County of Victoria: Resolution against percentage of increase to Welfare recipient County of Grey: Resolution against percentage of increase to Welfare recipient County of Grey: Resolution against present practice of levying for reserves by County Boards of Education.

Townships of Anson, Hindon and Minden: requesting appointment for delegation of Council reference appointments to Road Committee. Mention was made in a copy of a letter received from Mr. A. H. Eyres of Toronto, addressed to William Scott, M.P., urging return of rail service to Lindsay and Haliburton.

Motion to concur with County of Grey, and that we agree in principle with their letter re. School Board surplus. Carried.

That we concur with the County of Victoria in regard

to the resolution against the percentage of increase to Welfare recipients. Carried. That Council concur with the report of the correspondence committee as presented Carried.

That By-law No. 887, having been read a First Time, be considered read a Second and Third time, passed,

signed, and the Corporate Seal attached, being a by-law for the purpose of confirming By-law No. 23-73 of the Municipality of Lutterworth, being a by-law to close a portion of the original allowance for road between Lot 21, Concession 7 for the Township of Lutterworth and exchange

the same for a new road situate in Lot 21, Concession 7, for the Township of Lutterworth. Carried.

That By-law No. 888, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to prohibit the

obstruction of certain drains under the jurisdiction of the County Council and to permit and regulate the size and mode of construction of culverts and bridges that cross any drain or water course situated on a highway under the jurisdiction of the County Council of the Provisional County of

Haliburton. Carried. That By-law No. 889, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of

Haliburton County Council meet

authorizing and empowering the Warden and Clerk to sign the agreements between the Provisional County of Haliburton and the Canadian Pacific Railway Company for microwave facilities and tower at Eagle Lake, Ontario. Carried.

That By-law No. 890, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing and empowering officers for carrying out the provisions of Section 116, subsection 10 of the Highway Traffic Act, Chapter 202, R.S.O. 1970. Carried.

That By-law No. 891, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to accept an agreement with Wilfred A. McDermid and Lillian Bell McDermid for parts 1 and 2 of Reference Plan 19R417 and to dedicate parts 1 and 2 as part of County Road Number 3. Carried.

Mr. Gerald Barry made a presentation to County Council on behalf of President E. J. Gardiner of the Haliburton Highlands Chamber of Commerce, reiterating the changes introduced this year by the Ministry of Industry and Tourism. Mr. Barry told Council of the plans

considered by the Chamber and promotional programme for the entire County with supporting budget, and he introduced the delegation of Executive members in attendance: Louis Hodgson, J. Pillsworth, A. Ward, George Hardy, Don Nye, and Larry Perrott.

Mr. E. Mumford and Mr. Barry Martin of Martin Lumber Company were present, and Mr. Mumford spoke to Council on behalf of Mr. Grenville Martin, asking for support in their effort to obtain a permit to expand with a new type mill, given detailed statistics of projected employment and material. Mr. Mumford indicated that this operation would not destroy a great quantity of new trees but would utilize old felled trees to a considerable extent and advocated control of trees rather than stripping. Carried.

Whereas the Ministry of Transportation and Communications requires the County Clerk and the Warden to sign the forms requesting 80% subsidy on the normal 1973 expenditures; and whereas the Road Committee by Resolution R12/74 requests this return to be made in order to obtain the remaining subsidy on our 1973 expenditures; THEREFORE, be it resolved that the Warden and Clerk are hereby authorized to sign the forms required by the Ministry of Transportation and Communica-

tions to obtain subsidy on the 1973 expenditures in the amount of \$796,602.77, which is made up of the total of Schedule 1, the total of Schedule 2, \$496,191.74 from Schedule 4, as well as \$991.30 which is the stock account. (These schedules were presented in the Road Report to County Council on January 16, 1974). Carried.

Whereas County Road #1 and Muskoka Road #1 serves as a very important transportation artery connecting the Haliburton area to the Muskoka area, as well as an access route for seasonal residents and visitors from the Toronto area to Haliburton County; and whereas there is approximately 8 miles of Muskoka Road #1 in an unsafe condition due to the roughness of the road and the poor alignment; THEREFORE, we request the Ministry of Transportation and Communications to give consideration to additional financial aid to the District of Muskoka to improve the

deficient 8 miles of road as soon as possible; and this resolution to be directed to the Deputy Minister of the Ministry of Transportation and Communications with a copy to Glen Hodgson and a copy to Milt Tibbett, District Chairman. Carried.

Be it resolved that County Council demand that Haliburton County be allowed to provide a plan of Health inspection which in our opinion would be much more efficient than any provided by the Province of Ontario. A recorded vote was requested by the Warden.

Resolution defeated.

County Council Session was recessed at 12.00 Noon. Council reassembled at 2.00 p.m.

Reeves of the Municipalities introduced their clerk who had been invited to attend the afternoon session:

Anson, Hindon & Minden: Richard Parisotto, A.M.C.T. Elinor Burke, A.M.C.T.

Bicroft, Improvement District, Patricia Ray

Cardiff: Michael J. McBride

Dysart et al: Wayne B. Wood, A.M.C.T.

Glamorgan Elva T. Bate, A.M.C.T.

Monmouth Fred W. Shaw

Snowdon Geoffrey Wynne

Stanhope Gerald Bain

Lutterworth and Sherborne

Reeves expressed regret their clerks were unable to be present.

Chairman of the Plumbing Inspection Committee reported on recommendations from their meeting that provision of this service should be deferred.

Mr. Reginald Booth spoke on behalf of the Wolf Study Committee which had held a meeting this date and proposed delaying comment until further decisions were received from investigations.

Mr. Gardner Church of the Ministry of Treasury, Economic and Intergovernmental Affairs spoke to County Council about current legislative policies relative to amalgamations, realignments, and restructure of local government, and the study programme available to provide recommendations suitable to local government

Dr. Nicholson, a liaison officer with that Ministry, and Mr. Church answered many questions directed from members of Council. The Warden declared a short recess for discussion with visiting Clerks.

Mr. James Hall, Co-ordinator of the Emergency Measures Organization, operated under the auspices of the Provisional County of Haliburton, the County of Victoria and the Federal and Provincial Governments on a cost sharing basis, notified Council that the Federal Government that on a peace time basis this organization maintains its equipment and trained men as insurance to cope with emergency situations.

Mr. W. M. Jackson addressed Council on behalf of the Haliburton County Mutual Fire Aid Association, accounting for expenditure of the 1973 grant and outlining the continuing budgeted programme.

Mr. William Emmerson described accomplishment of the Haliburton County Snowmobile Association during the past year, and distributed crests and trail maps which had been produced by support received from the County as well as permanent and seasonal residents. He reported that the County is now being recognized for its groomed trails.

That the County Council of the Provisional County of Haliburton support the Martin Lumber Company in obtaining a permit to erect a Chipper Kanton Mill; Providing the issuing of logging and small licence permits does not change from the agreement made with County Council in 1972 by the Minister of Natural Resources. Carried.

Rev. Andrew Hutchison outlined the benefits being provided by the Haliburton County Contact Centre and being extended to residents throughout the County. He circulated a brochure and copy of the budget to meet needs for their programme. Be it resolved that it be recommended to the Centennial Committee that a copy of In Quest of Yesterday be donated to each library in the County. Carried.

Mr. James Leworthy told County Council about the Haliburton Highlands Guild of Fine Arts displays and sales, and their varied courses, and reported on their financial status.

That the budget be accepted for the Hyland Crest Senior Citizens' Home for 1974. Carried.

That we ask The County to set up in the budget the sum of \$600.00 for the year 1974 for Emergency Measures Organization. Carried.

Be it resolved that we recommend to the Budget Committee a grant of \$500.00 for the Mutual Fire Aid service for the County. Carried.

That we recommend to the Budget Committee that the

sum of \$1000.00 be given to the Haliburton County Snowmobile Association. Carried.

That the Haliburton Highlands Chamber of Commerce Budget be accepted for the 1974-75 season. Carried.

That the Guild of Fine Arts be granted from the County the sum of five hundred dollars. Carried.

That the Haliburton County Contact Centre be granted \$500.00 for the year of 1974 for recommendation to the Budget Committee. Carried.

This February Session of County Council was adjourned at 4.45 p.m.

Murray Fearrey Warden
Winifred M. Lahay Clerk-Treasurer.

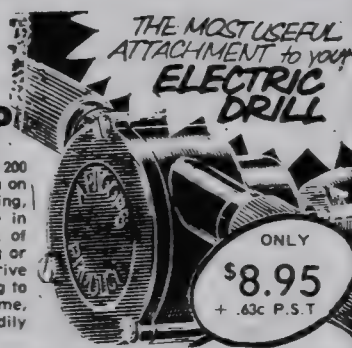

Correction

Omission from February 6, 1974 Stanhope Council Minutes - Third Reading of By-Law 74 - 9 to amend By-Law 74 - 3 for the purpose of setting the wage of the By-Law Officer, was reported by the Committee of the Whole, was read a third time, passed, signed and sealed. Carried. Ken Whitney voted Nay.

SELF PRIMING PORTABLE ROTARY PUMP

The mighty midget pumps up to 200 gallons per hour plus, depending on rpm of drill. Needs no priming, mops up to the last drop. Use in seconds — just slip into chuck of drill. Accepts 1/2" plastic tubing or garden hose. Stainless steel drive shaft, neoprene impeller, nothing to corrode. Thousands of uses in home, factory, garden, etc. Spares readily available.

Executive Meeting

United Church Women meet

An executive meeting of the Lindsay Presbyterian United Church Women was held in Fenelon Falls on Feb. 18. The new President, Mrs. Roeske, Burnt River, opened the meeting with poem, A New Years Wish. Mrs.

English Cannington, presented the worship, commencing with quiet music played by Mrs. Russel, Woodville. The message, The Story of Love, was based on Ruth Chap. 2, the love of Ruth and Naomi

closing with "She was a phantom of delight". Wordsworth.

Roll call, minutes and treasurer's report followed. Four hundred dollars was transferred from the expense account to M and S at the end of 1973 and the self determination was surpassed. Memorial cards can be obtained from Rev. F. Douglass, 85 St. Clait St. Toronto. Contributions for the bursary fund can be sent to the treasurer. This fund is set up to help any young man or woman going into church work. Anyone opposed to Sunday retailing should write to their local M.P. The Conference for the Bay of Quinte U.C.W. will be held in St. James St. church, Peterborough, on April 16 and 17, using as a theme "Canadians in Mission. The Lindsay Presbyterian asked to set up a display on Indian Work in Canada, and a

committee was chosen.

The Presbyterian for 1975 will be in Fenelon Falls on Jan. 29. Our self determination will be \$23750. It was stated that if a penny a meal for everyday of Lent was set aside by United Church people we would realize \$10,500,000. for World Development. Contributions of clothing etc. as in previous years would be very acceptable by Miss Etta Snow, Angola.

Reports of Portfolio Secretaries were given and delegates appointed to attend Presbytry. A book display is available for any U.C.W. by writing to Mr. Tilley, Distribution Centre, 47 Coldwater Rd. Don Mills, stating the type of material need.

The meeting closed with the Mizpah Benediction to meet again on May 27 in Fenelon Falls.

Gems of Truth

by Mr. "B"

When it became necessary for the Creator to restore the broken fellowship with His created creature man, He revealed Himself to him as "Jehovah Elohim" or Lord God. Furthermore, when the people who He had chosen to be the bearer of His revelation to man were about to be restored or redeemed out of Egypt by the hand of Moses a new name was used to identify the Deliverer.

When Moses inquired as to who he should say that the sender of himself to lead the Israelites out of Pharaoh's bondage was, the "Lord God" or "Jehovah Elohim" said He was the "I AM THAT I AM". This name explains the title name "Jehovah" which signifies that He is Self-Existent. He is dependent upon no one else. Being of such a nature, He cannot be anything but Self-Sufficient and All-Sufficient. In other words, He was well able to carry out all He had proposed to Moses. Deliverance was by the hand of Jehovah the "Great I Am". The man Moses was His human instrument to Israel.

Also, to Moses, Jehovah Elohim said that He was the God of your fathers, the God of Abraham, the God of Isaac and the God of Jacob. Exodus 3:15. The "Great I am" is the Covenant God of Israel and they are His people. Jehovah declared He was Israel's God forever. Read again verse 15, "this is My Name forever, and this is My memorial to all generations."

How dare anyone throw away these promises to Israel? Yet this is a truth many professing Christians set aside so easily and they claim Jehovah's blessing for themselves alone. God has declared and His Word cannot be altered.

SCRIPTURE MEDITATION:

"For I dare not brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fullness of the Gentiles be come in. And so all Israel shall be saved. Romans 11:25-26.

Food for Thought:

The Old Gospel, the Old Faith, the Old Book is the Old Reliable.

Presentation of Ten Millionth Scripture

Canadian Gideons reached another milestone with the presentation of their ten millionth Bible in Moncton, N.B., on Saturday evening, according to an announcement to-day by James Cooper, President of the Haliburton Highlands Gideon Camp.

Recipients of the special copies bound in red leather were the Honourable Hedard J. Robichaud, Lieutenant Governor of New Brunswick, and Madame Robichaud. They were given copies of the new bilingual Testaments that Gideons have been distributing since last Fall in hotels and hospitals in Quebec and New Brunswick.

The presentation was made by Winston A. Steeves of Moncton, Gideon National President. The address was given by the Past President, Orvis A. Kennedy, Edmonton.

Special Testaments commemorating the event were

made available to the more than 400 guests who attended the ceremony in the Hotel Beausejour.

Mr. James Cooper said the Haliburton Highlands Camp recently received a copy of the new bilingual Bible bearing an insignia showing its commemorative presentation of the ten millionth copy.

Organized in 1911, it took Canadian Gideons 41 years to distribute their first million Bibles. The second million required five years and the third million three.

The seven millionth copy was presented in 1969 at a ceremony in the Royal York Hotel, Toronto, to The Honourable Roland Michener, then Governor General. In the 4½ years since then another three million copies have been given out.

On a world basis Gideons in 98 countries are now distributing a million Bibles every 28 days.

Thank-You

The boys and girls and staff of Victoria Street School would like to thank the following people for their help in our Carnival parade entry:

Mr. Bill Emmerson for his truck, Mr. J. Douglas Hodgson for his truck, Mr. Don Walling and Mr. Earl Hewitt who drove the trucks, Mr. J. Hughett who gave so freely of his time and talent to build our cake and model of Victoria Street School. Many thanks also to our parents who took the responsibility of bringing the children. Without the children, our effort would not have been worthwhile.

MINAKER - I wish to thank all friends, neighbours, and relatives for their kindness and expressions of sympathy shown during my recent bereavement. Special thanks to Rev. Noel McNeil of London, Ontario and the Platten Funeral Home. Jim Minaker.

Thank-You

Continued

McCrea - We would like to express our thanks and sincere appreciation to our relatives, friends and neighbours for their many acts of kindness shown to our husband and father during his lengthy illness and to us all during our loss of a loving husband, father and grandfather. Also our many thanks for the prayers, flowers, cards, donations to the Gideon Bible Society, baking, telephone calls, etc. Special thanks to Pastor and Mrs. Roch, all the doctors at Dr. Good's Medical Centre and the nurses of the Home Care Program. Mary McCrea, Vernon, Beth, Marilyn and families.

WHEELER - My family and I would like to take this opportunity to thank everyone for acts of kindness at our time of bereavement. The St. Stephen's Ladies' Guild for the luncheon, and to the many kind neighbours that sent food and floral contributions including "Club 35". To Rev. Andrew Hutchinson, who interrupted his Florida vacation to attend the service, for his comforting words and deeds, and to John Fleming of the John Welch & Son Funeral Home. We also wish to thank everyone for the consoling messages, cards and donations to the Ontario Heart Foundation and The Gideon Bible Society. Our heartfelt thanks to everyone.

Jean Wheeler and family.

Notice

I, JOSEPH W. J. NICHOLSON, R. R. # 1, Minden, Ontario, will not be responsible for any debts incurred by my wife or anyone as of February 22, 1974. Joseph W. J. Nicholson.

In Memoriam

HICKS - In loving memory of my husband Orville - who departed this life March 1, 1973.

I am in Heaven - dear ones Oh, so happy and so bright There is perfect joy and beauty In this everlasting light.

All the pain and grief is over Every restless tossing passed

I am now at peace for ever Safely home in Heaven at last

Did you wonder I so calmly Tread the valley of the shade Oh, but Jesus love illumined Every dark and fearful glade

And he came himself to meet me

In that way so hard to tread And with Jesus arm to lean on Could I have one doubt to dread

Then you must not grieve so sorely

For I love you dearly still Try to look beyond earth's shadows

Pray to trust our Father's will

There is work still waiting for you

So you must not idly stand Do it now, while life remaineth

You shall rest in Jesus land.

When that work is all completed

He will gently call you home Oh, the rapture of that meeting

Oh, the joy to see you come.

Ever remembered, May.

Coming Events

Hyland Crest Auxiliary St. Patrick's Fun & Games Night Saturday, March 16, 7:30 p.m. Prizes, refreshments. Admission \$1.50.

HICKS - Orville - March 1, 1973. In remembrance of Dad and Gramps. You asked me "Be brave and make no fuss" But no one misses you more than us. The lips need not speak When the heart mourns sincerely For grief often dwells Where it seldom is seen. Fond memories, Ruth, Murray, Dwain, Arlene and Jim.

PETERS - In memory of our dear Father, Ray Peters, who died February 26, 1970 and loving Mother, Dorothy, who died December 12, 1957. Please God, forgive a silent tear, A fervent wish our parents were here. There are others, yes, we know. But they were ours, we loved them so. Dear God, take a message To our parents in heaven above, Tell them how much we miss them And give them all our love. Always remembered by the Peters' family.

ORR - In loving memory of our dear father, James Orr, who passed away January 21, 1940 and our dear Mother, Clara Orr, who died February 27, 1967. There is nothing so treasured, And nothing so rare As the love that parents And a family can share. Through joy and through laughter, Through sorrow and tears, They develop a closeness That grows through the years. This love that they share Doesn't need to be spoken; It's a wonderful bond That can never be broken. Ever remembered by the family.

Glamorgan Township Council meets

The regular meeting of the Glamorgan Township Council was held in Council Chambers on Wednesday February 6th, 1974 commencing at 7.00 p.m. Council members present were: Robert Fotheringham, Reeve; Norman Locke, Deputy Reeve; Glen Bird and Larry Hunter, Councillors. Visitors were Hugh Allore from the Ministry of Natural Resources, Minden Office; Charles Titus and Wayne Stoughton. Moved by Glen Bird, seconded by Larry Hunter that the minutes of January meeting be accepted as published and circulated. Carried.

Moved by Larry Hunter, seconded by Glen Bird, that the following bills and accounts be paid: General Voucher No. 1 - \$1,995.58; Welfare Payroll No. 1 - \$1,992.80; and Road Voucher No. 1 - \$5,412.53. Carried. Moved by Larry Hunter, seconded by Norman Locke,

to accept resignation from the Council of the Township of Glamorgan of Mr. Jame E. Dewey. His resignation is accepted with regret. It is also resolved that Mr. Dewey be recompensed for his duties for the month of January, 1974. Carried. Council members were given copies of the current legislation regarding the filling of vacancies created by resignations.

Moved by Norman Locke, seconded by Glen Bird, resolved that the Township garage be painted on the exterior to prevent future damage, at a cost of \$895.00. Colour to be #5978 - Leaf Green - asper chart. This painting to be guaranteed in writing by the decorators and to be as specified by the Township Road Superintendent. Carried.

Moved by Norman Locke, seconded by Glen Bird, Be it resolved that MR-28 for 1974 initial allocation of subsidy

by the Ministry of Transportation and Communications as prepared by the Road Superintendent, be approved. Carried.

Moved by Larry Hunter, Seconded by Norman Locke, Be it resolved that a request be made to the Ministry of Transportation and Communications for a supplementary allocation of subsidy moneys for the year 1974 in the amount of \$19,500 (total expenditure \$30,000) as per MR-28 prepared by the Road Superintendent. Carried.

Moved by Glen Bird, Seconded by Larry Hunter, Be it resolved that we petition the Ministry of Transportation and Communications for final subsidy on 1973 road expenditures. Carried.

Moved by Larry Hunter, seconded by Glen Bird, for Road Superintendent to purchase 12-15" x 24" long culverts and 12 collars for

same; 150' of 18" culverts and 10 collars; 2 culverts 6" x 24" long; 60' of 3/8 side chain; 2 boxes 3/3" end hooks; 1 barrel of 5/8" crosser chain and 6 end fasteners, truck size, from J.V. Holt Sales Ltd. Carried. Moved by Norman Locke, Seconded by Larry Hunter, Resolved that the Township purchase a compressor for use in the garage for necessary painting and tire repairs; also purchase one tire for grader, also one grinder. Carried. Mr. Allore then reviewed and discussed with Council the existing Fire Agreement between Township and Ministry of Natural Resources. Under this agreement the Township pays 50% of the "out-of-pocket" costs of the Ministry for forest fires on private property. It was pointed out by Mr. Allore

Con't on page 16

Glamorgan Township Council meets

that the Township is required to maintain certain fire fighting equipment to validate the agreement. Carried.

The Welfare Administratrix's report was given and some discussion followed.

Council then discussed the Centennial projects.

Moved by Norman Locke, seconded by Larry Hunter, resolved that the Council of the Township of Glamorgan, in its Centennial Year, publish the poems and writings of Theodore Peacock as Centennial project to help commemorate this 1974 year. Carried.

Moved by Glen Bird, seconded by Norman Locke, Be it resolved that approval be requested from the Ministry of Transportation and Communications to install street lighting along Highway 503 in accordance with an amended plan submitted by Ontario Hydro which was forwarded to the Ministry of Transportation

and Communications on December 12, 1973. If approved, the Township of Glamorgan will bear 50% of the installation costs and 100% of all maintenance and operating costs including power bills. The estimated cost of the installation to be \$2,894.00 of which \$1,447.00 would be borne by the Township of Glamorgan and \$1,477.00 would be borne by the Ministry of Transportation and Communications. Carried.

By-law 74-5 being a by-law to strike uncollectible taxes from the tax roll was read a first, second and third time and passed. Carried.

Moved by Glen Bird, Seconded by Larry Hunter, to authorize the Clerk to sign the contract on the L.I.P. program. Carried.

Wayn Stoughton on behalf of the Gooderham Boy's Hockey Team then approached Council regarding the possibility of using the Township Garage for a benefit dance to be held in the spring. Discussion ensued and conditional consent was given by Council.

Moved by Larry Hunter, Seconded by Glen Bird, to adjourn until February 12, 1974.

Carried.

The regular February meeting re-convened at 7.00 p.m. with Deputy-Reeve Norman Locke in the chair due to the unavoidable absence of the Reeve. Councillors Bird and Hunter were in attendance. Visitors were Mr. John Francis, Cemeteries Inspector and members of the Glamorgan Township Cemetery Board. Mr. Francis outlined the legislation regulating the operation of cemeteries, particularly with regard to perpetual care and discussed these matters with Council and Board members. Following the departure of Mr. Francis and Cemetery Board members, Council resumed regular business, continuing the agenda from February 6th.

Moved by Glen Bird, Seconded by Larry Hunter, to approve payment on dog catcher's account. Carried.

Moved by Larry Hunter, seconded by Glen Bird, to approve payment to Township of Snowdon in the amount of \$220.32 for maintenance to dump on Irondale Gelert Road from May to October 1973. Carried.

Moved by Glen Bird, seconded by Larry Hunter,

to approve service contract from Brant Office Supplies as per quotation. Carried.

Moved by Larry Hunter, seconded by Glen Bird, to contact Stoughton Electric to have plug in and clock receptacle repaired also to have fluorescent light installed. Carried.

Moved by Glen Bird, seconded by Larry Hunter, to contact Assessment Office regarding 1973 census. Carried.

Moved by Larry Hunter, seconded by Glen Bird, to approve severances H4/74 and H11/74. Carried.

Moved by Larry Hunter, seconded by Glen Bird, to approve severances H4/74 and H11/74. Carried.

B-law 74-6 being a by-law to appoint a Lottery Licencing Officer for the Township of Glamorgan was read a first, second and third time and passed. Carried.

Moved by Larry Hunter, seconded by Glen Bird, fees for any licence issued under By-law 74-6 shall be \$2.00. Carried.

Moved by Glen Bird, seconded by Larry Hunter, to adjourn until next regular meeting unless called earlier by the Reeve. Carried.

PROVISIONAL COUNTY OF HALIBURTON ROADS DEPARTMENT

Quotation for normal purchase of materials for maintenance and construction operations in 1974.

Quotations will be received by Mr. D. J. Cox, P. Eng., County Engineer, Provisional County of Haliburton, P. O. Box 399, County Building, Minden, Ontario.

for the following materials until 5:00 p.m. EST, TUESDAY, March 12th, 1974.

1. Wire fence and farm gates
2. Steel fence posts
3. Cedar fence posts
4. Calcium chloride
5. Road signs & sign posts.
6. Metal drainage culverts.
7. Grader blades and snow plow blades.
8. Cable for guide rails
